

A MODESTO CITY SCHOOL

# FRED C. BEYER HIGH SCHOOL

Focus on Pride

January 23, 2019

Dear Parent/Guardian,

Modesto City Schools is providing all 10<sup>th</sup> grade students the opportunity to take the PSAT 10 through LCAP funding. The PSAT 10 is specifically designed for 10<sup>th</sup> grade students - testing them in Math and English. The main benefit of taking the PSAT 10 is that it provides a useful practice test for the SAT. After taking the PSAT 10, students will be provided with a list of AP courses in which they might be successful and a report to personalize their SAT practice through Khan Academy. Students will be able to access their scores online if they provide College Board with their email address during the test. Scores will also be sent to our school for distribution to the students.

Beyer will be taking the PSAT 10 on March 7<sup>th</sup> in the gym. All 10<sup>th</sup> grade students will report directly to the gym by 7:30AM. Students will test through 4<sup>th</sup> period and have lunch during the regularly scheduled time. Students will resume their regular schedule after lunch.

Please visit the Beyer website at [beyer.mcs4kids.com](http://beyer.mcs4kids.com) for more information on the PSAT 10.

If you do not want your child to take this test, **please sign the bottom portion of this letter and return it to the Counseling Office by February 15<sup>th</sup>. Students who opt out of the test must attend their regularly scheduled classes on this day.**

Sincerely,

Nadene Galas  
Assistant Principal, Pupil Services
