Attention, Freshman-Juniors students Are you interested in gaining experience in the STEAM field. If so, COSMO is a unique 4-week program for students interested in the STEAM field while providing an insight into college life. The program is ran by UC Davis, UC Irvine, UC San Diego, and UC Santa Cruz and it will be hosted at their respective campus. If you would like to learn, more about the program attend the info session next Tuesday during lunch in the career center. Reach out to the COSMOS ambassador Chanji Gaelen if you have any questions.
